|                            |                          |
|----------------------------|--------------------------|
| Drive Type:                | Knurl                    |
| Finish:                    | Nickel-Plated, 3 µm, E1E |
| Head Diameter [mm]:        | 8                        |
| Head Height [mm]:          | 4                        |
| Head Shape:                | Cheese Head              |
| Knurling:                  | Diamond Knurl            |
| Length [mm]:               | 12                       |
| Material:                  | Brass CW614N / CuZn39Pb3 |
| Material Group:            | Brass                    |
| Reduced Shank Length [mm]: | 6                        |
| Thread Size:               | M3                       |
| Weight:                    | 2.96g                    |
| Conformities:              |                          |
